

Cable management support bars ensure excess tension is not placed on jacks or terminations and help with routing cables within a rack or cabinet.

### Features & Benefits

Curved falls: Prevent distribution cable from crimping and maintains a proper bend radius  
Mounts to any 19" rack with a standard EIA hole pattern

Holes in top surface: Allow cable ties to be routed through the holes to secure cables in place

### Specifications

#### General Info

Product Line	Ortronics	UPC Number	662875249634
Country Of Origin	United States	Application Sector	Commercial

#### Additional Information

RoHS Conformant	Yes
