

Turn lights on/off, or even dim them, with just a soft tap of a finger thanks to inventive micro-movement technology. This dimmer switch is meant for use with incandescent or halogen single fixtures and small lighting groups that do not exceed 700W.

This dimmer* features enduring Microban® antimicrobial technology that works to reduce the growth of bacteria, around the clock, for the lifespan of the product.

* Existing inventory of switches, dimmers and plastic wall plates from the adore® Collection at some partner locations may not yet include Microban® protection. To confirm that a specific Legrand product is protected with Microban®, check that the exterior of the product packaging includes a green dot or a "Protected with Microban" label.

Made exclusively for use with screwless Wall Plates from the adore® Collection, sold separately.

No antimicrobial efficacy claims are being made or are valid with respect to products sold in Canada.

Features & Benefits

Helps fight the growth of stain and odor-causing bacteria through the invisible and continuous product protection of Microban® antimicrobial technology

For complete installation, device must be paired with an adore® screwless Wall Plate (not included). Available in a range of contemporary colors and stunning finishes.

Installs in 15 minutes or less, fitting into an existing electrical box. No new wiring required for typical installation.

For use with dimmable incandescent/halogen bulbs or fixtures that do not exceed 700W. Perfect for adding precise light level control -- all it takes is a soft tap to turn on/off or adjust brightness.

Usable in both single-pole and 3-way applications.

More color options available to fit any style, including finishes to match current hardware and lighting trends.

Specifications

General Info

Product Line	Pass & Seymour	Replaced by Part Number	ADPD453LW2
Color	White	Country Of Origin	China
Features	Indicator Lights	Switch Type	softTap
Number of Switches	1	Standard	cULus
Warranty Type	Limited Lifetime Warranty	Type	Dimmer

Technical Information

Connection	Screw Terminals	Number of Gangs	1
Bulb Compatibility	Halogen, Incandescent	Number of Poles	3-Way, Single Pole
Wattage	700 W	Mounting Type	Box
Voltage	120.0 V	Connection Type	Internal Pressure Plates
Load	Incandescent, Halogen
