

# Vantage Equinox 73

Part No. EQ73TB-TI

Equinox 73 is an LCD keypad that provides control of scenes, shades, audio, and climate in a simple and intuitive 7" capacitive touch graphical user interface for multi-system control. It offers a simple navigation experience and an ambient light sensor for auto day/night backlighting. Utilizing the power of Vantage Design Center software, Equinox 73 has three visible widgets with full screen and edit modes.
