

radiant Collection
radiant® Locator Light Module, Clear
Part No. RCDLMCC8

Using an efficient and long-lasting LED bulb, this patented snap-in module adds a discreet locator light to designer switches from the radiant® Collection for easier finding in the dark. Made exclusively for use with screwless Wall Plates from the radiant® Collection, sold separately.

Features & Benefits

Module simply snaps-in for easy installation.

Uses energy-efficient LED light that remains cool to the touch, even when in use.

Automatically turns on when switch is off.

Complete the look with a sleek, screwless radiant® Wall Plate, and coordinate with other designer switches and outlets available from the radiant® Collection.
