

Ortronics 8RU Vertical Wall-Mount Cabinet - Split Door - 42 in H Part No. VWMSD-8RU-42-B

The Vertical Wall-Mount system is a low profile solution for edge computing, and all building network needs. The 8RU version sits a mere 18" off the wall while still allowing installation of equipment in excess of 30" deep. When customized with many of the optional accessories, The Vertical Wall-Mount system can accomodate many complete computing combinations. The Vertical Wall-Mount system is easy to configure, integrate, and install. With a UL2416 certified load rating of 150 lbs, it can handle the most dense configurations possible. The split door design allows for user access at the top, while protecting critical equipment behind the front door. Mounting of small routers, hubs, and computers that are non rack mountable is also simplified with the optional patented Lever Lock equipment panels.

## Features & Benefits

Low-Profile: 18" depth minimizes protrusion from the wall Split Door Design: The split door design allows for separate while still maintaining 8RU worth of equipment space access points, both locakable Deep Equipment Mounting: The vertical design accepts up Versatile Rail Mounting Locations: 3 ways to mount the rack rails to 36" deep equipment, accepting most switches and (left, center, right) allows for easy access to cable routing on the server designs in the market sides of mounted equipment Pivoting Patching RU Rails: Dedicated pivoting rails for patching UL Listed: Certified to UL2416: Load rating of up to 150 lbs applications (2RU and 4RU) allowing for easier terminations at (30 lbs on front door) and grounding and bonding support rear of panel Patented Lever Lock System: Supports Lever Lock panels Reversible Door: Door can be field-reversed and pivot from either on the rear pan and front door for mounting smaller the left or right side of the cabinet equipment Cable and Fan Knockouts: Contains knockout points for installation of fans or cable/conduit passthrough

## Specifications

## General Info

| Product Line       | Ortronics    | Color             | Black         |
