#### radiant Collection radiant® Tamper-Resistant 15A Duplex Self-Test GFCI Receptacles with SafeLock® Protection, Graphite Part No. 1597TRGCC4

GFCI receptacles from the radiant® Collection self-test automatically every three seconds to ensure reliable protection from shock due to ground fault occurrences. Meeting National Electrical Code requirements for ground fault protection, GFCI receptacles make it easier to recognize and fix trips right where they happen – no more confusion at the breaker box. Maximize safety, in style, with GFCI protection featuring the sleek, clean lines of radiant. GFCI protection is required by code in bathrooms, kitchens, garages, basements, outdoor areas, and for any other outlets found within six feet of a sink or water source. GFCI outlets should always be used when replacing existing GFCI outlets during renovation. Made exclusively for use with screwless Wall Plates from the radiant® Collection, sold separately. Spec-Grade devices are engineered to meet federal specifications for use in commercial installations.

## Features & Benefits

Protects against shock caused by ground-fault occurrences. Unlike Conducts an industry-leading automatic self-test every 3 seconds. If breaker alternatives, GFCI receptacles make it easier to fix trips with a the device ever fails, the indicator light flashes to signal it should be reset button right on the device. replaced. Equipped with proven SafeLock protection feature: if critical Extends GFCI protection to "downstream" outlets when used with feedcomponents are damaged and protection is lost, power to the outlet is thru wiring configuration. Note: Will cut power to face and downstream disconnected. outlets if wired incorrectly. Protects children with a patented tamper-resistant shutter system that prevents improper insertion of foreign objects, complete with "invisi-Replaces any standard receptacle with ease, in as little as 10 minutes. shutters" for an invisible effect. More color options available to fit any style, including finishes to match Features durable, high-impact resistant thermoplastic construction. current hardware and lighting trends.
