

Stainless steel cable support for transverse applications. Food and beverage processing plants are often harsh, challenging environments that demand extra consideration when it comes to equipment. With frequent washdowns and exposure to chemicals, stainless steel options are ideal due to their durability and resistance to corrosion. Stainless steel cable tray and accessories are easy to install, clean and meet National Sanitation Foundation standards.

Features & Benefits

Snap in easily to wire mesh trayNo hardware requiredRetains cables in traverse installations

Specifications

General Info

Product Line	Cablofil	Finish	Stainless 304
UPC Number	800388468412	Country Of Origin	Italy
Type	Straight Sections		

Dimensions

Product Width US	4.63 in	Product Weight US	0.1 lb
Product Volume US	0.019 cu ft	Product Depth US	3.17 in
Product Height US	2.24 in		

Buy American Act Compliance

BAA	Yes
