Wiremold
500, 700 Laser Level and Cutting Guide
Part No. 5700CG

The new Wiremold Metal Raceway Laser Level Cutting Guide simplifies and streamlines the process of making accurate cuts in 500 and 700 Series Raceway during installation. The Laser Level provides perfect visual alignment for runs of metal raceway. The included Cutting Guide attaches to a step ladder, and provides a level cutting channel, to insure that raceway cuts are smooth and precise. Speed up your raceway installation projects and get off the job faster with the new Metal Raceway Laser Level Cutting Guide.

Features & Benefits

Perfect Alignment. Special base fitting on Laser Level attaches to outlet box base and raceway fittings to insure perfect alignment of raceway during installation.

Channel in Cutting Guide insures accurate cuts. Channel holds raceway securely and provides stability to insure accurate raceway cuts.

Cutting Guide attaches to step ladders. Cutting Guide included with Laser Level attaches to step ladder to provide alignment control when making raceway cuts.

Specifications
