On-Q
Cable Tie Tool
Part No. AC4006

Professional tool provides consistent installations through uniform holding pressure and cable tie length.

Features & Benefits

Cable Tie Tool

Provides consistent pressure without ever overtightening ties

Cuts excess cable tie after seating to reduce cable snags and enhance project appearance

Specifications

General Info

Product Line	On-Q	UPC Number	804428121770
Country Of Origin	Taiwan, Province Of China	Application Sector	Residential
Standard	RoHS		

Dimensions

Cable Tie Width	0.098 in

Additional Information

RoHS Conformant	Yes

Technical Information

Tensile Strength	50
