

adorne Collection
adorne® Rosa Five-Gang Screwless Wall Plate with Microban®
Part No. EWS_PS_AWP5GRA

Rosa is soft and sweet, an easygoing pink that is effortless and luxurious. Made exclusively for use with designer switches and outlets from the adorne® Collection. This wall plate features enduring Microban® antimicrobial technology that works to reduce the growth of bacteria, around the clock, for the lifespan of the product. No antimicrobial efficacy claims are being made or are valid with respect to products sold in Canada.

Features & Benefits

Helps fight the growth of stain and odor-causing bacteria through the invisible and continuous product protection of Microban® antimicrobial technology.

A perfect finishing touch for any space, adding a sleek and contemporary aesthetic through its screwless design and low-profile.

Other Wall Plates from the adorne® Collection are available in extensive range of on-trend colors, materials and cast metals.

Includes one Wall Plate and one Steel Frame for mounting the wall plate.

Made to exclusively fit the designer switches, dimmers and outlets from the adorne® Collection, snapping into place with ease.

Coordinate with other designer switches and outlets throughout your home for a cohesive, contemporary look.
