

adorne Collection  
Discontinued - adorne® LED Linear Light, Titanium  
Part No. ALLNLEDTM4

Shine more light right where it's needed with these LED Linear Lights. For use with an adorne Under-Cabinet Lighting and Power System, this is the perfect lighting option for brightening kitchen counters or other work areas. Prep a feast with ease, or simply illuminate any space while enjoying the efficiency and flexibility of modular LED lighting. This linear lighting track plugs directly into other adorne under-cabinet modules for easy adding or moving to fit your needs. You can even control the lights remotely when using the Linear Lights in conjunction with the adorne Direct Wire Modular Track. Pair it with the adorne sofTap Tru-Universal Dimmer to gain precise, flicker-free light level control. Optimal positioning is one LED Linear Light for every 18 inches of modular track. **WARNING:** This product can expose you to chemicals including DBP, which is known to the State of California to cause birth defects or other reproductive harm.
