

adore Collection  
Discontinued - adore® Outlet Module 15A, Titanium  
Part No. APTR15TM4

Ideal for any kitchen where multiple countertop appliances will be plugged in at once. Use this under-cabinet outlet module with two standard outlets to provide convenient power and keep multiple appliances ready, without the clutter. This module can be easily added or removed from the Modular Track by using the module tool included in your purchase. Note: This item is included with the purchase of the Modular Track. Purchase additional outlet modules to further customize your Under-Cabinet Lighting and Power System.

## Features & Benefits

Installs in 5 minutes or less

Easily add or remove using the module tool; simply fit the tool into either end of the module and pop it out of the track

Designed to fit exclusively onto the adore Modular Track
