

adorne Collection
Discontinued - adorne® Push Switch, Magnesium
Part No. ASPU1532M4

The sharp, chic look of the adorne Push Switch allows you to turn lights on and off with a simple push-button motion. Use this device on its own to control a light or fixture from a single location, or pair with a second switch or dimmer to control a single light source from two locations. Made exclusively for use with screwless Wall Plates from the adorne® Collection, sold separately.

Features & Benefits

For complete installation, device must be paired with an adorne® screwless Wall Plate (not included). Available in a range of contemporary colors and stunning finishes.

More color options available to fit any style, including finishes to match current hardware and lighting trends.

Installs in 15 minutes or less, fitting into an existing electrical box. No new wiring required for typical installation.
