

radiant Collection
Discontinued - radiant® Digital Audio Amplified Keypad, White
Part No. AU7010WH

The radiant collection is a step up from the standard with simple, classic options in wiring devices, home automation controls and screwless wall plates that complement today's homes. The Digital Audio Amplified Keypad serves as an amplifier and a controller for a room of audio within a Digital Audio System. The AU7010 provides 20 watts of power, and can operate at a 6 or 8 ohm load. For control, the AU7010 can select the source, adjust volume, mute audio and control power on/off. The AU7010 also includes a unique favorite feature which enables the user to recall a favorite source, at a preferred volume, with the single push of a button. The Digital Audio System can also be controlled by the Legrand Digital Audio App (available through Apple App and Google Play stores). Up to sixteen AU7010 keypads can be a part of a Digital Audio System. Note: The Digital Audio Amplified Keypads are powered by the PW1020 Digital Audio Power Distribution Module. radiant Screwless Wall Plate not included. Check out the Digital Audio mobile app.
