

Ortronics Clarity Shielded High Density Jack (HDJS) CAT6, T568A/B, 25 Pack Part No. HDJS625

Shielded HDJ systems are ideal for installations with high levels of interference and offer flexibility with a easy, quick-to-install design

Features & Benefits

to 100W, 1.5A

Circuit traces: Each circuit trace is rated Superior Protection Against EMI: Minimizes disturbances in data transmission

Enhances PoE heat dissipation: Ideal for high-power PoE applications

Lacing cap termination: Reduces wiring time for faster installations

identification or segmentation

Accepts color ID icons: Perfect for port Versatile mounting: Use at both ends of the channel, compatible with patch panels, wall plates, furniture plates, surface mount boxes and more

High density footprint: Mount up to 48 ports per 1RU

Rear loading: Preferred mounting for panels

Plenum Rated to UL 2043: Can be installed in any air handling space

Specifications

General Info

Product Line	Ortronics	UPC Number	662875020035	
ountry Of Origin	Mexico	Application Sector	Commercial/Industrial	
tandard	UL Standard	Туре	Jack	

Dimensions

Product Width US	0.63 in	Product Depth US	1.61 in
Product Height US	0.77 in
