

On-Q
Discontinued - In-Wall TV Power Kit
Part No. HT2202WHV1

Easily hide power and AV cables inside the wall without modifying the homes electrical wiring. This kit includes everything needed to extend power for wall mount TV installations while providing the ultimate flexibility with the innovative decorator based power inlet strap and the recessed box with duplex power receptacle.

Features & Benefits

In-wall design hides all cabling, including power, HDMI, coax, and Cat 5e behind the wall

Recessed receptacle supports almost any type of power plug including right angles and wall warts

Hides both power and AV cables for a clean, professional installation

Duplex receptacle powers multiple devices such as a TV, speaker bar or internet media box

Unique decorator based power inlet strap provides flexible project support for ganging other connections
