

This kit allows for easy mounting and dismounting to 1" diameter IV poles. Mounts and dismounts much faster than typical thumb screw brackets, increasing productivity during cleaning cycles.

## Features & Benefits

This kit allows for easy mounting and dismounting to 1" diameter IV poles. Mounts and dismounts much faster than typical thumb screw brackets, increasing productivity during cleaning cycles.

## Specifications

### General Info

Product Line	Wiremold	UPC Number	786776184518
Country Of Origin	Mexico	Receptacle Type	Simplex
Type	PIOC		

### Buy American Act Compliance

NAFTA	Yes
-------	-----

### Additional Information

RoHS Conformant	Yes
-----------------	-----

### Technical Information

Enclosure Type	Plastic/Aluminum	Mounting Type	Snap-on Mount
----------------	------------------	---------------	---------------
