Wattstopper
Low Voltage Input Interface
Part No. LMIN-104

The LMIN-104 Input Interface allows integration with third party devices to provide additional functionality in a Digital Lighting Management (DLM) system.

Features & Benefits

Input interface for integration of third party devices

Component of Digital Lighting Management integrated control systems

Fits into standard single gang wallbox; optional DIN rail mounting

Hinged dust cover protecting two RJ45 ports

Status LED for each input

Four isolated 2 wire contact closure inputs for up to two control devices

Specifications

General Info

Product Line	Wattstopper	UPC Number	754182940868
Country Of Origin	China		

Dimensions

Product Width US	3.0 in	Product Weight US	0.25 lb
Product Volume US	41.71 cu in	Product Depth US	4.4 in
Product Height US	2.59 in		

Additional Information

RoHS Conformant	Yes	DesignLights Consortium Qualified System	Yes
Security	Yes
