

Cablofil
A-SPF-HT12-06 AL PKD CVR HORZ TEE 12R
Part No. P645546

The aluminum I-beam design of ITray is perfect for industrial installations with large diameter cables in long span situations, minimizing total tray width and creating a smooth transition between straight sections and fittings. A structural offset in the sidewall creates strong, mid-span splices that need fewer supports. Each splice snaps in place and stays without holding. Additionally, only four bolts are needed for each splice reducing hardware needs by 50%. These features allow Itray to be installed up to 30% faster than standard tray.

Features & Benefits

Large peak sheds water and debris

Specifications

General Info

| | | | |
|--------------|--------------|-------------------|---------------|
| Product Line | Cablofil | Finish | AL |
| UPC Number | 800388535107 | Country Of Origin | United States |

Dimensions

| | | | |
|-------------------|-------------|-------------------|----------|
| Product Width US | 28.035 in | Product Weight US | 11.94 lb |
| Product Volume US | 1.611 cu ft | Product Depth US | 42.0 in |
| Product Height US | 2.364 in | | |
