

Includes rear management bar and straps. These modular panels support rear loading of HDFM adapter panels, HDJ adapters and LMH cassettes. Available in 24, 48 or 72 port, in a black or white finish, and in high or standard density, these panels include a rear cable management bar with straps to support a clean and organized look. The construction of the panel is powder-coated steel and is designed for optimal performance. Customize these panels for each application with support for mixed media applications for copper and fiber, and even add individual 40/100G uplinks.

## Features & Benefits

High density design: Supports up to 48-port in 1RU, Maximizes use of rack/cabinet real estate.	HDJ jacks and adapters mount quick, easily and securely: Speed of install and reliability
Compatible with copper jacks and fiber modules: Mixed media and future upgrades	Easy access: Remove and install into loaded parts
Ability to configure with choice performance categories and colors	Rear management bar and straps included: Supports good cabling practices.

## Specifications

### General Info

Product Line	Ortronics	Color	Black
UPC Number	662875885955	Country Of Origin	Mexico
Application Sector	Commercial/Industrial	Type	Panel

### Dimensions

Product Width US	19.0 in	Product Depth US	6.45 in
Product Height US	1.75 in		

### Additional Information

RoHS Conformant	Yes	Product Has Potential to Contribute to LEED	Yes
Product Environmental Profile	Yes
