

On-Q
Discontinued - 48VDC 60W Power Supply
Part No. PW1458

Powers the DA1458 8-Port Gigabit Switch by converting high voltage alternating current (AC) to direct current (DC).

Specifically compatible with the Legrand DA1458: 8-Port Gigabit Switch with 4-Ports 802.3af PoE.

Features & Benefits

Allows you to power a wide variety of modules and devices

IEC C13/C14 connections

Stacks neatly in enclosure with AC1031 power strip

Specifications

General Info

Product Line	On-Q	UPC Number	804428431589
Country Of Origin	China	Number of Receptacles	4
Application Sector	Residential	Standard	UL, cULus, FCC, RoHS

Listing Agencies / 3rd Party Agencies

cULus Listed	Yes	FCC Compliant	Yes
--------------	-----	---------------	-----

Additional Information

RoHS Conformant	Yes
-----------------	-----

Technical Information

Output Voltage	48 V	Input Voltage	100 to 240 V
Environmental Conditions	10 to 90% (relative humidity, non-condensing)
