

Wattstopper
Wattstopper PLUS Zone Control Wallstation, 6 Button, Black
Part No. BCS_WA_EN-WS-ZC6-GB2-BL

The ZC Zone Controller Wallstation series is a multi-zone Wallstation that offers software configurable lighting control that provides ON/OFF switching for multiple lighting zones. It is generally located at entry points to a floor or department and is used to activate or deactivate a lighting zone. The zone status is indicated by an LED display with white indicating ON and blue indicating OFF.

Features & Benefits

The sleek, aesthetic designs are suitable for all interior locations

Setup and monitoring via Polaris software with easy mapping/re-mapping

LED indicator for ON/OFF feedback

Specifications
